## COMPANY OVERVIEW

---

**Remo Builders** is one of the leading provider and finest contractor of glass and aluminum solutions for commercial and residential projects. With a strong commitment to quality, customer service, and innovation, we have established ourselves as a trusted partner for architects, engineers, builders, and property owners across the country.

We are a glass and aluminum company who is passionate about the work we always do and the product we create. We care about the quality of our work, the assurance from frames of the windows right to the hinges of our doors.

From the small beginnings, we can ecstatically say that our growth has been tremendous, and our growth is thanks to the sustained support and recommendations from our fantastic client.

*"Our brand is not what we tell you it is,  
it's what our client tells each other."*

# Vision

"To be the premier glass and aluminum contractor and supply company, providing exceptional quality, service, and value to our clients, while driving innovation and growth in the industry."

"Our mission is to provide superior glass and aluminum products, services, and solutions that meet the evolving needs of our customers, while fostering strong relationships built on trust, integrity, and transparency."

# Mission

## CORE VALUES

- **Quality:** We are committed to delivering high-quality glass and aluminum products and services that meet or exceed our customers' expectations.
- **Customer Focus:** We prioritize our customers' needs, building strong relationships based on trust, communication, and mutual respect.
- **Innovation:** We stay ahead of the curve by embracing new technologies, processes, and materials that enhance our products and services.
- **Safety:** We prioritize the safety of our employees, customers, and communities by maintaining a safe working environment and adhering to industry standards.
- **Teamwork:** We recognize the importance of teamwork and collaboration in achieving our goals, valuing diversity, inclusivity, and open communication.

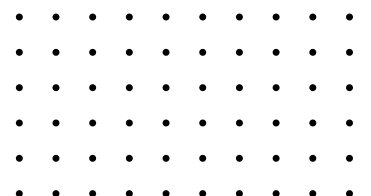

# COMPANY HISTORY

Founded in 2009, *Remo Builders Incorporated* formerly known as Remo Builders Glass and Aluminum Supply is privately-owned and managed by Cemon D. Remo and his wife Anavel D. Remo. The company has been dedicated to delivering exceptional glass and aluminum products and services. Our team of experienced professionals has a deep understanding of the industry and a passion for delivering exceptional results. Over the years, we have built a reputation for reliability, flexibility, and attention to detail.

We fabricate and install different types of windows, doors, storefront, showcase, fixed glass, mullion, seamless, frameless glass, etc. We cater in a different place here in the Philippines and over a few years, we establish ourselves as a reliable brand in Mindoro market through regular and consistent supply of our products, innovative design and style by competitive price and excellent after sale services.

Since we are expanding, based on the decision of our company we have now established other branches CAD Enterprises in Roxas, Oriental Mindoro. RM & AR Builders Glass Aluminum Supply in Pinamalayan, Oriental Mindoro, and ONE GOAL LUBES Inc. at Calapan City, Oriental Mindoro ,we used to be the exclusive distributor of Top Standard and One Sky based on the different demands and requirements of the clients, we have new branch located at Taytay Rizal.

We supply and install window glass with excellent quality and value. While providing quality services with personal attention, safety, timeless and responsiveness. We will operate under the highest integrity and relationship based on trust.

# SERVICES

**Glass Fabrication:** We offer custom glass fabrication services for windows, doors, walls, and partitions.

**UPVC and Aluminum Extrusion:** We provide high-quality UPVC and aluminum extrusions for various applications, including windows, doors, and frames.
