COMPANY OVERVIEW

We, **Remo Builders Incorporated** is a trusted provider of architectural glass, aluminum, and general construction services for residential, commercial, and industrial, institutional and renovation projects. With a strong commitment to quality craftsmanship, customer satisfaction, and innovation, we deliver modern and durable building solutions tailored to the needs of our clients.

Over the years, we have built a reputation as a reliable partner for architects, engineers, contractors, business owners, and property developers. Our expertise ranges from glass and aluminum installations to comprehensive construction services, ensuring excellence in every project we undertake.

Driven by passion and dedication, we focus on delivering products and workmanship of the highest standard from structural components and architectural finishes to detailed installations that enhance both functionality and aesthetics.

From the small beginnings, Remo Builders Incorporated has continuously grown through hard work, professionalism, and the trust and support of our valued clients. As we expand our services, we remain committed to building strong relationships and creating structures that stand the test of time.

*"Our brand is not what we tell you,
it is what we did that our client tell you."*

Vision

" Our vision is to become a premier provider of architectural glass, aluminum, and general construction solutions, recognized for exceptional quality, innovation, and professionalism while contributing to the development of modern, durable, and sustainable structures."

" Our mission is to provide high-quality architectural glass, aluminum, and general construction services that meet the evolving needs of residential, commercial, and industrial clients. We are committed to excellence in craftsmanship, reliable service, and lasting partnerships built on trust, integrity, and customer satisfaction."

COMPANY HISTORY

Founded in 2009, *Remo Builders Incorporated* formerly known as Remo Builders Glass and Aluminum Supply is privately-owned and managed by Cemon D. Remo and his wife Anavel D. Remo. The company has been dedicated to delivering exceptional glass and aluminum products and services. Our team of experienced professionals has a deep understanding of the industry and a passion for delivering exceptional results. Over the years, we have built a reputation for reliability, flexibility, and attention to detail.

We fabricate and install different types of windows, doors, storefront, showcase, fixed glass, mullion, seamless, frameless glass, etc. We cater in a different place here in the Philippines and over a few years, we establish ourselves as a reliable brand in Mindoro market through regular and consistent supply of our products, innovative design and style by competitive price and excellent after sale services.

Since our decision to expand, we have established other daughter companies, CAD Enterprises in Roxas, Oriental Mindoro. RM & AR Builders Glass Aluminum Supply in Pinamalayan, Oriental Mindoro, and ONE GOAL LUBES Inc. at Calapan City, Oriental Mindoro and now, our new office located at Quezon City, Philippines.

We supply and install window glass with excellent quality and value, while providing quality services with personal attention, safety, timeless and responsiveness. We will operate under the highest integrity and relationship based on trust.
